REQUEST TO CANCEL CHANGE OF CORRESPONDENCE ADDRESS

Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir:

On January 28, 2005, the undersigned attorney filed a Change of Correspondence Address (Form PTO/SB/112) which was intended to change the correspondence address for pending Application Serial No. **609,119**. Unfortunately, due to a clerical error the serial number appeared on the form as **619,119**. Despite the fact that all other formal details on the Form PTO/SB/112 were inconsistent with the incorrect serial number, and the fact that this Form is not used for a Change of Correspondence Address for an issued patent, the Office duly entered the Form PTO/SB/112 in the IFW of the patent. It is unclear to the undersigned attorney whether the correspondence address for the above patent was in fact changed as a result of the erroneous Form PTO/SB/112, but if this address was changed, it is respectfully requested that this change be reversed. The undersigned attorney would apologize for the inconvenience caused by the incorrect Form PTO/SB/112.

A corrected Form PTO/SB/112 has already been filed in connection with Application Serial No. 609,119, so no further action is required in connection with this application.
